Clear Values

Preview Trade

This is a sell order with a price limit. This entry means that the team only wants to sell MSFT if the price is not below the limit they set of \$34.50. If it is below that price, the order will not be executed.

After entering a trade, you will get a chance to preview the order to **confirm** it. Confirming a trade requires you to re-enter your password. This is a safety measure in the system.
